Original budget: \$325,000

Budget increase: \$22,708

New budget: \$347,708

The purpose of this Project Authorization Amendment (PAA) is to increase administrative funds on this project by \$22,708.

Concurrently, a PAA (1072-V-01) is being executed which decreases the budget on project 1072-V by \$22,708. Together, these two grant actions maintain the full administrative budget award to DOLWD for the program management fees associated with the administration of active Denali Commission grants.

Background: The Alaska Department of Labor and Workforce Development (DOLWD), Division of Business Partnerships has managed the Denali Training Fund for over a decade. The administration responsibilities are defined in the 2011 Memorandum of Agreement (MOA) between AK DOLWD and the Commission.
